Holes with Specific Rules or Notes

Note the word "flagged" also denotes other types of marking such as paint or string.

- 2 Crossing the flagged line marked on left near basket is OB.
- 3 Fountain and circular area surrounding fountain is OB. Stairs and sidewalk ARE NOT OB. If OB in fountain area, proceed to DZ with penalty. Paved road behind green is in-bounds up until the painted line. You may NOT play from the stone wall. If your stance would be on the wall, it is treated as a Casual Area (806.03) and you must relocate to the nearest lie, which is farther from the target and is on the line of play, at the nearest point that provides relief. Disc must be 100% surrounded by grass to not require relief. (PDGA Waivers Granted).

The white dotted OB lines on this map are simply a reminder of OB in that area. For best results, and better scores, always check the exact OB flagging on the hole you're playing while you're on the course.
